Dear all exhibitors:

Notice of Price Revision of 13 Punch Carpet for Exhibitions to be held in from May 2026

We would like to take this opportunity to express our sincere gratitude for your continued support. Thank you very much for your continued patronage.

Due to the recent sharp rise in the cost of raw materials and labor, we have decided to revise the price of 13 punched carpet, which is listed on the "Sakura International Inc. Additional Furniture Order Form Exhibitions organized by RX Japan" (hereinafter referred to as "Order Form"). We would like to inform you of the revision as follows:

- Date of price revision: Exhibitions to be held in from May 2026
- Product subject to price revision: No.13 punch carpet
- Old price: ¥41,800 per 0.5 booth
- New price: ¥46,200 per 0.5 booth

The price will be changed to the new price from March 7 (Sat.) in JST.

For those who will participate in exhibitions to be held in May 2026 or later and who applied before March 7 (Sat.), the old price (¥41,800) will be displayed due to system reasons, but the new price (¥46,200) will be applied. For exhibitions held before April 2026, the old price will be applied.

We apologize for any inconvenience this may cause and thank you in advance for your understanding and continued patronage.

Sincerely yours,
Sakura International Inc.
